

Health Science Educators Association

FREE 1-year membership available to all health science educators through the Hawaii Pacific Basin AHEC in collaboration with the NCHSE!

Connect with new and experienced teachers, receive information on lesson planning, pacing, teaching strategies, work-based learning and more.

Participants will have access to:

- A community of classroom teachers and health science state leaders
- strategies to reinforce integration of National Health Science Standards
- Professional development
- Exclusive classroom resources including lesson plans, PPTs, activities, projects, and assessments
- NCHSE online resource discounts
